# January 2004

**D&C Section 124.** This section, the first received in Nauvoo, is filled with precious information. It was given on Tue 19 Jan 1841, the day 1 Mid-Winter (E) and All Nourishing (J). This year those two days again coincide on Tue 20 Jan, but they both begin the previous evening, coinciding with home evening.

**Birth of George Q. Cannon, 11 Jan 1827.** George Quayle Cannon was counselor in the First Presidency to four different prophets: Presidents Young, Taylor, Woodruff, and Snow, from 8 Apr 1873 until his death on 12 Apr 1901. His birth date is listed as Thu 11 Jan 1827. If he was born during the previous night, then he was born on 1 Serpent (SR) and 1 Res (V), the same as Isaac, the son of Abraham. This year 11 Jan falls on 1 Jaguar (SR) and 1 Res (M), so it seems appropriate to remember this great man.
